At Home With Nature, Including River Access

With end of road seclusion surrounded by trees and quiet seclusion, this home is unique and inviting. Two living levels plus a finished basement totalling 2499 sqft of versatile space.

Large living room and adjoining kitchen take advantage of woodsy views in every direction. Forest facing lower deck also has outdoor fireplace to warm away evening's chill. Large upper deck offers filtered river views, accessed from first level stairway or step out from second level.

Finished basement is an entertainer's dream, complete with wetbar and unique natural rock feature that will amaze any guest. Home even has a hot tub in it's own dedicated room. A three car garage and small guest cabin complete this truly unique home.

Vacation anytime on the level, landscaped camping area with full RV hookups and campfire ring for memorable summer outdoor nights that require no travel, making stay-cations better and more economical than ever. No HOA! This is a rare, must see opportunity.
